

The Four Goals of Anti-Bias Approach

- Goal 1: Nurture the construction of a knowledgeable, confident identity as an individual and as a member of multiple cultural groups (such as gender, race, ethnicity, or class)
- Goal 2: Promote comfortable, empathetic interaction with people from diverse backgrounds.

The Four Goals of Anti-Bias Approach

Goal 3: Foster each child's ability to recognize bias and injustice.

Goal 4: Cultivate each child's ability to stand up, individually and with others, against bias or injustice.
